Senior Enlisted Joint PME Course (SE JPME) Status and Way Ahead

Presentation to EMERCWG
12 Apr 2007

SE JPME Course Status and Way Ahead

✓ Current “public” version of SE JPME course on JKDDC’s Learning Management System (LMS).

✓ Course is currently accessed via JKDDC portal.

✓ JFSC SE JPME curriculum designer and instructional support developer (CD/ISD) has received some source data from JKDDC in order to begin revisions of graphic user interface (GUI) and some content.

✓ JFSC SE JPME Course will be transferring to Blackboard LMS.

- JFSC SE JPME program manager (PM) communicating with JS-J7 and USJFCOM (and other stakeholders) on *EPMEP* changes and SE JPME Course revision.
  - -- keep 4 JLAs and modify JLOs.
  - -- add JLAs and JLOs as required (i.e., joint doctrine, interagency coordination, cultural awareness, regional studies, IW, etc.).
  - -- move 6 JLOs and related 7 course modules to electronic performance support system (EPSS).

- Consider adding required reading: (joint publications, selected books or articles, etc.) and incorporate appropriate knowledge checks or into pretest and posttest?

Updating and Maintaining Curriculum Content

LA1 - National Military Capabilities and Organization

✓JLO: Comprehend organization and functions of primary elements of national military command structure.

LA2 – Armed Forces Overview

X JLO: Comprehend the different Services' standards for uniforms, appearance, inspections.

-- Modify JLO: Comprehend primary roles, mission, history, and customs & courtesies of the Armed Forces.

X JLO: Comprehend enlisted career promotion & PME requirements of the different military Services.

X JLO: Comprehend Senior NCO responsibilities in performance evaluation of multi-Service enlisted subordinates.

X JLO: Operate a physical fitness program IAW each Services' standards for assigned personnel.

X JLO: Comprehend supervisory responsibilities re military justice for enlisted subordinates.

X JLO: Comprehend a program to motivate organizations with multi-Service enlisted subordinates to accomplish organizational missions.

LA 3 – Foundations of Joint Operations

✓JLO: Comprehend the deliberate and crisis action planning processes used in JOPES.

LA 4 – National Strategic Overview

✓JLO: Comprehend the process of formulating and Integrating U.S. national security, strategic guidance, and doctrine.

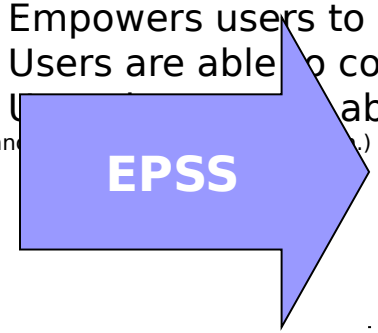
✓JLO: Comprehend the formal processes used within the [DOD] to integrate strategy, resources, and contingency planning.

+ JLAs / JLOs ??: joint doctrine, interagency coordination, joint leadership, cultural awareness

Electronic Performance Support System (EPSS)

"An integrated electronic environment, available to and easily accessible by each employee, structured to provide
immediate, individualized on-line access to information to permit job performance with minimal support and
intervention by others." (Guidance, advice, assistance, data, images, tools.) (Electronic Performance Support Systems.1991. Gloria Gery.)

- Improves performance by reducing the complexity or number of steps required to perform a task.
- Provides the performance information needed to perform a task.
- Enables users to identify the action appropriate for a particular set of conditions.
- Helps an organization reduce the cost of training staff while increasing productivity and performance.
- Empowers users to perform tasks with a minimum amount of external intervention or training.
- Users are able to complete their work more quickly and accurately,
- U… about their job and their organizations. (EPSS Central. 2006. http://www.pcd-inn… .)



- ✓ Customs and Courtesies of the U.S. Armed Forces
- ✓ Motivating Organizations
- ✓ Discipline and Conduct of Multi-service Subordinates
- ✓ Uniform and Grooming Standards
- ✓ Physical Fitness Program Standards
- ✓ Service Enlisted Evaluation Reporting Procedures
- ✓ Professional Development and Promotion Systems

Changes to Graphic User Interface (GUI)

(Pronounced '*GOO-ee*'.) A program interface that takes advantage of the computer's graphics capabilities to make the program easier to use.

Graphical user interfaces feature the following basic components:

- Pointer
- Icons
- Desktop
- Windows
- Menus

Look, feel, simplicity, and efficiency
